Track Time: Track time will be broken down into sessions depending on type and number of participants. Groups will be rotated on track each receiving an equal amount of track time.

Karts/Bikes: Karts, Supermoto Bikes and Street Bikes 600cc or less will be allowed to participate. Other vehicles will be considered with prior approval from Road America. It is required that all machines be equipped with a fluid catch can. It is also recommended that bikes be equipped with frame sliders and have safety wire installed. All vehicles are subject to a safety inspection.

Safety Gear: Safety gear is required while on track at all times. Riders (bikes) are required to have full leather protection or motocross gear with a full skeleton, and an approved helmet. Drivers (karts) are required to have an abrasion resistant jacket, gloves, long pants, closed toed shoes, neck brace, and an approved helmet.

Registration: Registration will take place in the designated area listed. Registration is typically open one half hour before open track time and closes one hour prior to the conclusion of the track day.

Cancellations: Track days run weather permitting. For up to date cancellation information please call the Motorplex weather hotline at 920-893-5013. Road America reserves the right to change the open track day schedule at any time.

Refunds: No refunds will be given for pit passes. Participant fee refunds will only be given prior to participant going on track.

Pricing: Member Participant \$20, Non-Member Participant \$40, Pit Passes \$10. Participant fee includes Rider/Driver pit pass. Spectators are considered crew and will be required to purchase pit pass.
